Luis –

How are you? I hope all is well.

I wanted to follow up with you please on the email below. We desperately need this parking. I don't understand why it was all changed to a red curb. We are suffering without this parking, and we need the City's assistance. I would ask that you please help us with this matter so that our businesses can continue to function.

Thank you very much.

Subject: Parking Westmoreland

Hi Luis,

I just want to follow up on our previous conversation re: street parking outside of Marc Tavakoli's property on the N/E side of Westmoreland. As of now it has been designated a no-parking red zone but ideally it would be a limited parking area to prevent construction workers from using the space once construction begins on the new property.

Please let us know if there is any way to change this.

Thank you very much,
